## A Look at our Bible Clubs

God is speaking to these young ones. They are learning to pray and turn to Him with all their needs and praises.

### A Reminder of One Way You Can Be on Mission With Us!

This is a program offered by Schnucks and you will need a "My Schnucks Card". It can be picked up at Schnucks or we have them at our office. If you prefer, you can call me with your name, address, and phone number and I will register your card then mail your card to you. It's such a simple way to donate to our organization. It is completely FREE. How it works....every time you shop at Schnucks have them scan your "My Schnucks Card" and *they* will donate up to 3% of what you spent. Don't be confused. This is not a prescription card. But it is a great way to get involved and it really is that easy.

*Tami*

### Only Three Clubs Left !

Last month we asked for people, churches, etc., to adopt a Bible Club by supporting it financially. We now only have three (3) clubs left to adopt. The first one does not need financial support, but it does need someone who could volunteer each Friday from 3:00 - 5:30 to assist the club leader here in Farmington. The second one can be adopted for \$40 a month, also in Farmington, and the third one is a rather large group of kids in North County School District and will require more than the regular financial amount. It will take \$75 a month to provide snacks for this one. If we could get several groups to go together on the third one it would make it more affordable.

### Director's Corner

I have had the opportunity to visit many of our supporting churches! Worshipping with you all and hearing God's Word preached has been a tremendous blessing. We appreciate you for allowing YFC a 10 minute slot to share what God is doing through us all. If your church would like for us to come and do a short presentation, please contact us at the office: 573-747-1705. We would love to hear from you.

*Blessings, Tim Burdin*

### Mentoring Minute

We have a fourth grade boy in the Central School District, needing a mentor. Someone who can help him with his math and be someone he can talk to. Do you have 30-45 minutes a week. That's right, just one day a week. Won't you consider this opportunity? Will that someone be YOU?

Please pray to see if God is calling you to help.  
If so, call me ASAP.

Thank you, *Tami*
