

*An Encouraging Report*

May 2018

## **Mentor Coordinator News:**

Although the school year is winding down with MAP testing and field trips, we continue to train, process and place mentors in the schools. A training session was held in April for eleven potential mentors, two of which have already completed their paperwork, background checks, etc. Two new mentors began mentoring in April and four new students were matched with a mentor.

Young Faith in Christ is currently in a time of transition with an Interim Mentor Coordinator in place. Kathy is currently serving in this position and will continue to receive correspondence and/or contact via Tami's email address.

## **From the Director's Desk:**

Young Faith in Christ will be soliciting resumes and/or applications for someone to fill the Mentor Coordinator position. If you are interested or know someone that might be interested in the Mentor Coordinator position, please contact Tim – [tim@yfcparkland.org](mailto:tim@yfcparkland.org).

## **From all of us at Young Faith in Christ:**
