

OCTOBER 2018 – AN ENCOURAGING WORD

Coordinator News:

Things are still pretty busy here at YFC as coordination of mentors and Bible Clubs continues. We are still in need of volunteers to help with Bible Clubs. We have added a few clubs and are anticipating the start of a few new ones in the coming weeks. Many students are impacted by participation in the Bible Clubs. Please keep the students, leaders and helpers in your prayers.

Golf Tournament:

The golf tournament was very successful. The Terre du Lac course is beautiful and the staff was friendly and accommodating. Despite the heat and humidity, golfers enjoyed a day of food, fellowship, prizes and golf. We had the opportunity to share what YFC does with some participants who had no previous knowledge of what we do.

SKATE PARK NEWS:

The Skate Park Bible Club recently packed 15 Christmas Shoeboxes. Everyone was excited to participate and they did a great job.

Norman and Sherry continue to mentor many who frequent the park, including a young homeless couple.

Still needed for the Skate Park: A working radio and metal folding chairs.

As always, thank you for your continued support of YFC
